Competition Team is an elite group of dancers that want to take their dancing to the next level and who express a strong commitment to dancing and performing.

We believe that each dancer on our team has something special and unique to offer, and that in encouraging each member's individuality we become stronger and better as a team.

Competition Team participates in 4-5 eisteddfods a year, both local and out-of-town.
Eisteddfods are compulsory and not to be missed

We strive to give our dancers many opportunities to succeed while at the same time keeping costs as low and easy to manage as possible. We have a weekly comp fee of
\$4 per routine.
